#### FOR JUDGE OF COURT OF APPEALS.

TO THE VOTERS OF THE FIFTH APPELLATE COURT OF KENTUCKY:—I am a candidate for Judge of the Court of Appeals from this District, subject to the action of the Democratic party. As Circuit Judge, it became my duty to try a number of criminal cases, which have become a part of the State's history and at a most critical time. As Judge of the State Fiscal Court, it fell to my lot to construe the Statutes adopted, to put in force the provisions of the new Constitution, as well as to construe the present Constitution whenever a controversy arose as to its proper construction. Almost innumerable cases have burdened the dockets of my court, touching the rights of corporations and the exercise of franchise under law. How well I have discharged my duties under such trying circumstances, is left to you to determine.

I will be very grateful to all who feel they can assist me to secure the high position and office to which I aspire.

Very respectfully,  
JAMES E. CANTRILL.

A NEW YORKER has prepared a method to sterilize money; down here in Kentucky we "burn" it.

Up to the present time there have been just fifteen deaths at the Confederate Home, at Pewee Valley.

THE Georgetown News, says: While the Legislature is in session wouldn't it be wise in some fellow who wants to make a hit with his constituents, to offer an amendment to the revenue law as passed by the last General Assembly to reduce the high licenses put upon circuses and give us country folks another chance to take a peep at the elephant and hear the oompa oompa of the brass band in the good old summer time.

THAT diphtheria may live in packed clothing almost indefinitely is shown by an incident which occurred in an Ohio village. A child died of diphtheria and its mother packed the dresses and toys in a chest. The mother died fifteen years afterward, and her daughter and granddaughter who opened and handled the contents of the chest, were duly taken ill of diphtheria, although there had recently been no cases in the village.

BESIDES that no accidental president has succeeded to the office by choice of the people is the further ominous fact that no eager aspirant for the presidency has ever been elected. On the other hand, the most successful presidential candidates as well as presidents have been men who scarcely dreamed of attaining the office until they were nominated by convention of their party and elected.—Philadelphia Record.

### HOW HYOMEI HELPS THE HEALTH

Kills the Grip, Catarrh and Colds.  
"Costs Nothing if It Fails,"  
Say Clarke & Co.

Now that Hyomei can be obtained in nearly every town and city in the country, it is possible to buy from druggists a health giving climate, to be carried in the purse or pocket. By breathing it a few minutes four times a day you can soon cure grip, coughs, colds and even the worst and most chronic cases of catarrh.

Clark & Co. have seen so many remarkable cures made by the Hyomei treatment, that they will sell it with the positive agreement to return the money if it fails to cure.

A complete outfit costs but \$1, and consists of the pocket inhaler, medicine dropper and sufficient Hyomei to last several weeks.

It effects a cure in the worst catarrhal troubles and if breathed at the commencement of a cold or the grip, will check it quickly and prevent sickness. Extra bottles of Hyomei can be obtained for 50c. When breathed through the inhaler, the germ-killing and health-giving Hyomei, goes to the most remote cells of the throat and lungs, killing all the catarrhal germs, soothing the irritated mucous membrane and vitalizing the blood with ozone.

At this season of the year, everyone should have a Hyomei outfit to prevent and cure catarrhal troubles, and ward off attacks of grip, pneumonia and similar germ diseases.
